INTRODUCTION

V.V.Vanniaperumal College for Women, a source of wisdom founded by Shri. V.V.Vanniaperumal Nadar with the great vision to empower rural women through formal education. It is an epic of human exemplary, endurance and dedication for 60 years.

Virudhunagar Hindu Nadars managing board has extended its devotion to the young aspirer to ascertain their aspiration of becoming a global nurse by establishment of V.V.Vanniaperumal Nursing College for Women in 2010. The college has been duly approved by the Government of Tamilnadu, affiliated to The Tamilnadu Dr. M.G.R. Medical University, Chennai and recognized by Indian Nursing Council, New Delhi, Tamilnadu Nurses and Midwives Council, Chennai.

The Institute aims at turning out students to be intellectually enlightened, socially committed, emotionally balanced, spiritually inspired and morally upright nurses.

The managing board has started multispeciality hospital named V.V.V.N.C. hospital for clinical training of students of V.V.Vanniaperumal Nursing College for Women in the year of 2014.

VISION

To establish a Centre of excellence for imparting health care related education to produce professionals highly equipped with knowledge and skills to accomplish the objectives entrusted upon them.

MISSION

Imparting quality education and training under one roof and creating prospective, competitive and dedicated team members and ambassadors for improved health status of the nation.

OBJECTIVES

The objectives of our institution is to develop nurses in a manner to

- ❖ Develop a sound theoretical and practical knowledge at basic as well as advanced levels contributing to the promotive, preventive and restorative aspects of health.
- ❖ Acquire the ability to think and act independently with full responsibilities as a qualified Nurse and as a spiritual human being.
- ❖ Function as a responsible individual through self-discipline, self-direction and self-evaluation.
- ❖ Establish and maintain effective working and collaborative relationship with other health professionals.
- ❖ Possess the capacity to keep calm, serene and never to loose temper even on provocation.
- ❖ Demonstrate a commitment to the nursing profession by showing willingness to be accountable for the quality of nursing care and by involvement in activities which contributes to the development of nursing profession.
